

Spring 2018 Undergraduate Course Schedule
January 8 – May 1
www.vbc.edu

If a time is not listed for a course, that course does not have a live lecture component. However, the session week begins on that day. Check the Meeting Times on the course page to see when course materials will be available on that day.

¹Open only to Dual Enrollment students

²Available to Dual Enrollment students at the DE price

³Instructor is off-site. No classroom will be set up on campus. Plan to join from home or at the college building from your own device.

⁴Must register by November 15 for this class. If there is not enough interest, it will not be offered. This may take the place of the College Math requirement.
