

Ministry Partnership with Veritas Baptist College

Veritas Baptist College wants to partner with ministries to allow their key people to receive advanced ministry training at a reduced rate through the Supporting Church Scholarship.

Supporting Veritas Baptist College at \$150 per month (\$1,800 per year) will allow up to five staff members to receive 50% off tuition for any program they wish to enroll in—undergraduate, graduate, or postgraduate. Students will still be responsible for all fees and textbooks. Current tuition and fees can be found [HERE](#). Students can continue to receive the tuition break as long as the institution continues to support the college at the rate that is outlined in the Supporting Church Scholarship information. *Students may only receive one scholarship each semester at Veritas Baptist College.*

To receive the scholarship, students will follow the steps below:

1. Complete the [Application for Admission](#) and choose a degree program:
2. Complete the [Scholarship Application](#). (Students do not have to wait to be accepted before completing this form.) Choose “Supporting Church Scholarship–Full-Time” on the form. ***Scholarship applications must be received at least one week before the opening of the term that the student is requesting to use it.***
3. Submit an employment verification letter from the supporting ministry.
4. Maintain a GPA of 2.0 for undergraduate students and 3.0 for graduate/postgraduate students to remain eligible for the scholarship in future semesters.

Ministries who wish to support Veritas Baptist College may give a monthly or yearly donation [HERE](#) or may mail a check to the address below:
